

Aloha,

We invite you to advertise in the new upcoming [Tribal Surf Culture Magazine](#), which is composed of interviews from the world's top professional surfers, skateboarders, snowboarders, well known musicians, and artists. Together they provide a diverse demographic with an immense fan base and excellent overall exposure.

Our international, online surf culture magazine is minority owned and provides advertisement opportunities on our website, multiple social media platforms, and exclusive sponsorship events.

Your brand, products and business can be advertised in your own commercial, full page ads, as a sponsor to our video interviews on our [Tribal Surf Culture Magazine](#) website and social media platforms, and/or at our sponsored events. We offer multiple events: surfing, snowboard and skateboard exhibitions, 3 day music festivals, and promotional parties.

### **Our Mission Statement:**

*"Tribal Surf Culture is an online media platform featuring interviews with people in the surf community, sharing their experiences and insights to create a wave of unique dialogue and current creativity, which embody the heart and soul of surf culture."*
